

THIS CERTIFICATE IS PRESENTED TO

Switch Sustainability Certificate

SCO Cloud, LLC is awarded this Sustainability Certificate for using 100% Renewable Energy within the Switch ecosystem. This certificate demonstrates that Switch retired 100 Solar and Wind Renewable Energy Credits in 2019 on behalf of SCO Cloud, LLC, making their energy consumption 100% Green at Switch's data center facilities.

These Renewable Energy Credits comply with Greenpeace's principles of locality, additionality, and sustainability, and were generated by Nevada solar farms and WECC or MISO wind farms in 2019.

Together, we can ensure that the data running our planet doesn't ruin the planet.
